JANUARY 1999 SOCIAL SECURITY TITLE II AND TITLE XVI COST OF LIVING ADJUSTMENTS (COLA) AND RELATED ISSUES

This letter is to provide all counties with the following information:

- o Instructions for computing the January 1999 COLA for Title II (Retirement, Survivor's and Disability Insurance) benefits.
- o The 1999 Supplemental Security Income/State Supplementary Payment (SSI/SSP) cash grant levels. (Enclosure 2)
- o The 1999 Resource Limit for both Medi-Cal and Pickle cases. (Enclosure 3)
- o The 1999 Pickle Disregard Computation Chart. (Enclosure 4)
- o The 1999 Medicare Part B Premium of \$45.50. (Correct amount E-Mail #98136, November 5, 1998)
- o The Federal Benefit Rate (FBR).
- o The 1999 In-Kind Support and Maintenance (ISM) Values for Computing Pickle Eligibility. (Enclosure 1)

I. <u>Title II (RSDI) COLA</u>

The Social Security Administration (SSA) has advised us that effective January 1, 1999, the Title II COLA increase is 1.3 percent. This percent increase applies to all Title II beneficiaries.

A. 1999 Title II Benefit Amount - No Payment for Medicare Part B by Applicant/Beneficiaries

For Medi-Cal-only individuals who do not pay Medicare Part B premiums either because they are not eligible for Medicare or they are entitled to Buy-In (in which case the state pays the Medicare Part B premium), the current 1998 gross benefit amount should be multiplied by 1.013 to compute the 1999 benefit amount.

The new 1999 gross benefit amount is rounded down to the next lower dollar. This computation will produce the Title II benefit amount to be used in computing the Medi-Cal share of cost (SOC) for January 1999 and subsequent months. (Example: The current benefit amount is \$210; multiplying by 1.013 equals \$212.73, rounding down to the next lower dollar equals \$212.) This process is the same for Pickle eligibles who do not have a Medicare Part B premium deduction from their Title II benefit check.

B. 1999 Title II Benefit Amount When a Medi-Care Part B Premium is Paid by the Applicant

The 1998 Medicare Part B Premium is \$43.80. It indicates an increase of \$1.70 (to \$45.50) in the 1999 Medicare Part B premium.

For individuals who have this premium deducted from their Title II benefit check, a two-step rounding down process must be followed to accurately determine the new benefit amount, for example:

Step 1

Add the 1998 Medicare Part B premium (\$43.80) to the net 1998 Title II benefit check to obtain the 1998 gross benefit amount. Multiply this 1998 gross amount by the 1999 cost of living increase (1.013) and round the remaining cents down to the next lower \$0.10 to obtain the 1999 gross benefit amount.

Step 2

Subtract the 1999 Medicare Part B premium (\$45.50) from the 1999 gross benefit amount and round down to the next lower dollar. The remainder will be the January 1999 net benefit amount used to compute the SOC.

Example

Step 1

1998 net Title II benefit check	\$650.00
Plus 1998 Medicare Part B premium	+ <u>43.80</u>
1998 gross Title II benefit amount	\$693.80
Multiply by COLA	x <u>1.013</u>
Total	\$702.82

All County Welfare Directors

All County Administrative Officers

All County Medi-Cal Program Specialists/Liaisons

All County Public Health Directors

All County Pickle Coordinators

Page 3

Round down total to next lower \$0.10	\$702.80
1999 gross Title II benefit amount	\$702.80
Step 2	
1999 gross Title II benefit amount	\$702.80
Subtract 1999 Medicare Part B premium	- <u>45.50</u>
Total	\$657.30

Round down total to next lower dollar \$657.00 January 1999 net Title II benefit amount \$657.00

C. 1999 Title II Benefit Amount - Pickle Applicant Pays Medicare Part B Premium

To determine the countable Title II income for a <u>Pickle</u> applicant who has the Medicare Part B premium deducted, the following computation must be followed:

Step 1

- a. Determine the 1999 gross Title II benefit amount for all other Medi-Cal beneficiaries with Title II income (same as Step 1 in B above).
- b. Multiply the 1999 gross benefit amount by the January 1998 through December 1998 disregard multiplier. Round to the nearest dollar to determine the 1999 disregard amount.

Step 2

Subtract the computed disregard amount from the 1999 gross Title II benefit amount. Then round down the total to the next lower dollar.

Example

Step 1

1999 gross Title II benefit amount	\$702.80
Disregard multiplier	x <u>.0128</u>
(January - December 1998 amount)	

Disregard computed amount Round to nearest dollar	\$8.99 \$9.00
1999 gross Title II benefit amount Subtract Disregard (rounded amount) Total	\$702.80 - <u>9.00</u> \$693.80
Round down total to next lower dollar	\$693.00
Total countable income	\$693.00

It should be noted, as in previous years, the SSA applies the COLA to the actual, rather than the rounded, benefit amount. This may result in a \$1 discrepancy in the Title II benefits for some beneficiaries and a \$1 understated SOC.

In order to avoid the unnecessary expense of recomputing every Title II case subsequently identified as having an incorrect SOC solely due to the COLA, counties are authorized instead to correct the SOC the next time the budget is recomputed, when an income change is reported, or at the annual redetermination. Quality Control (QC) errors are not cited when the discrepancy between the budgeted income amount and the actual income received by the beneficiary is less than \$5.

The Notice of Action you use should advise the beneficiary to contact his/her eligibility worker if the amount of Title II income computed by the county is different from the amount actually received in the January 1999 check:

All cases with Title II income, including Aid to Families with Dependent Children-Medically Needy (AFDC-MN) cases which contain Social Security Survivor's Benefits, must have the SOC adjusted effective January 1, 1999. In the past, the incorrect computation of Title II COLAS has been the source of federal QC errors.

II. SSI/SSP PAYMENT LEVELS

The SSI/SSP payment levels in effect from January 1, 1999 through December 31, 1999 are provided on the enclosed chart (Enclosure 2 - page 16-1c to be added to your Pickle Manual). The county should use these figures in allocating income to or from the

SSI/SSP recipient and the MediCal Family Budget Unit effective January 1, 1999. These budget computations should be performed at the same time the Title II COLAS are being processed. These payment levels are also to be used effective January 1, 1999 for all Pickle eligibility determinations and redeterminations.

III. 1999 Resource Limits

Effective January, 1999, the resource limit for both Medi-Cal only and Pickle eligibles will remain the same - \$2,000 for one person and \$3,000 for two. The following chart applies to Medi-Cal only recipients as reflected in Title 22, California Code of Regulations, Section 50420. Add the 1999 Resource Limit in the Pickle Handbook, Procedures Section 15, page 15-12 (Enclosure 3).

Number of Persons	Property Limit
3	\$3,150
4	3,300
5	3,450
6	3,600
7	3,750
8	3,900
9	4,050
10 or more	4.200

IV. 1999 Federal Benefit Rate (FBR)

Individual \$500 Couple \$751

V. 1999 Pickle Disregard Computation Chart

Effective January 1, 1999, the enclosed chart (Enclosure 4) is to be used when computing a Title II disregard amount for Pickle eligibles and applicants.

Any questions concerning SOC issues in this letter should be directed to Mr. Craig Yagi at (916) 657-1182, or if there are Pickle program questions, call Ms. Sylvia Finberg of my staff at (916) 657-0080.

Sincerely,

ORIGINAL SIGNED BY

ANGELINE MRVA, Chief Medi-Cal Eligibility Branch

1999 ISM VALUES FOR COMPUTING PICKLE ELIGIBILITY

		<u>Individual</u>	· Couple
VTR	<pre>(not rebuttable)** (rebuttable)***</pre>	\$166.66	\$250.33
PMV		\$186.66	\$270.33

The VTR is the payment level to be used in situations 1, 2, and 3 below. The PMV is the unearned income amount to be added in other situations. The following chart provides the method that must be used for determining Pickle eligibility for individuals and couples in various living arrangements.

HOUSEHOLD SITUATION (LIVING ARRANGEMENT)

Living in household of another throughout a month and receiving both food and shelter from someone in the household.

- Living in household of another who is providing both food and shelter and also receiving ISM from a third party.
- 3. Living with a responsible relative (deemor) who lives in the household of another and the householder is not a responsible relative but is supplying both food and shelter.
- Living in own household (ownership or rental liability) and receiving ISM from someone outside the household.
- 5. Living in noninstitutional care* situation or group home and receiving ISM from someone outside the household.
- 6. Living with a responsible relative (deemor) who lives in the household of another and the householder is not a responsible relative but is supplying food or shelter.
- Living in household of another and sharing partial or total household expenses.

PRINCIPLE

Reduce the applicable payment level by one-third the Federal Benefit Rate (FBR). Use the VTR.

Reduce the FBR payment level by one-third (VTR). Exclude third party ISM.

Add VTR from the householder to deemed income from the responsible relative and add to other unearned income.

Add_PMV_to_other_unearned_income.

Add PMV to other unearned income.

Add PMV from the householder to deemed income from the responsible relative and add to other unearned income.

If pro rata share is contributed, we use the SSI/SSP payment level for a person in an "independent living arrangement." If pro rata share is not contributed, add PMV.

(Continued on next page.)

 Independent living arrangement for a disabled minor means living in the home of his/her parents. Household of another is used if both the disabled minor and his/her parents live in the household of someone else, i.e., grandparents, etc. RMA - Restaurant Meals Allowance 												

HANDBOOK LETTER NO.: 16 16-1c

NMOHC² - Nonmedical out-of-home care living in household of relative or guardian with In-Kind Room and Board.

RESOURCE ELIGIBILITY 1999 Resource Limits \$2,000--Individual \$3,000--Couple

Pickle persons must be within the resource limit at 12:01 a.m. on the FIRST DAY OF THE MONTH for which eligibility is being determined. If a person is not eligible on the first, he/she is not eligible for the ENTIRE MONTH.

Using information from the MC 210, SAWS 2 or MC 210B, complete the Pickle Resource Worksheet (DHS 7037) to determine resource eligibility. Instructions for completion of the DHS 7037 are attached to the form.

Refer to the following for determining resource eligibility.

- Resource charts.
- Life estate and remainder interest tables.

Clarification

1. Possible Pickle Person Living With a Spouse

If both members of the couple are eligible, apply the resource limit for two persons and consider the resources of BOTH spouses (whether owned separately or jointly).

2. Possible Pickle Child

Allow the parents all of the resource exclusions for which they would be eligible if they were the applicants. Consider only the resources of the parent and his/her spouse. This includes, but is not limited to home, household goods, personal effects, automobile, etc.

After the exclusions are applied, the remaining countable resources are deemed to the possible Pickle child. Where there is more than one possible Pickle child, the resources are deemed among those children:

Example

There are two possible Pickle children and \$500 in parental resources must be deemed to them. Deem \$250 to each child.

3. If applicant is <u>ineligible</u> as a possible Pickle person due to excess resources:

Instructions for Current Year Title II Disregard Computation Chart

This chart replaces and supersedes all previous Title II Disregard Computation charts. The steps to be taken to use this chart are outlined below.

- 1. Determine the current benefit amount.
- 2. Determine when the last SSI/SSP check was received.
- Multiply the current benefit amount by the multiplier for the time period the last SSI/SSP check was received.
- 4. The result is the amount to be disregarded.
